

Dear Livsey Parents, Students, and Staff:

On behalf of Synovus bank, welcome to Livsey School! Bank of North Georgia is Livsey School's business partner through the Dekalb County Partners in Education program.

Several years ago, we introduced the “**Livsey Leopard Savers Club**” through Mountain National Bank. Livsey students are given the opportunity to come to our “bank” held in the cafeteria at Livsey to open their account. Every other Wednesday, the “bank” opens at 9:00 A.M. and the students are given permission to come and make a deposit to their account. The ownership of the funds in the account will belong to the student with a parent or guardian as custodian. Please contact the bank to open the account at 770-491-8808. When opening the account, the student and parent/guardian **must provide their Social Security number, date of birth, driver's license, home address and telephone number**. There are withdrawal limitations on all savings accounts and the Livsey Savers Club accounts will be under the same limitations. Withdrawals from these accounts can **only be made** at an office of Synovus Bank. It is important to note that the **Livsey Leopard Savers Club** is a special account that is being provided only for Livsey Students and other children who are students in their immediate family. However, the terms of the account are the same as our regular Minor Savings Account, with statements forwarded to your home address on a quarterly basis. **It is for this reason that we must be notified in writing of any change in address**. We welcome your visit to the “Livsey Bank” to review our process and look forward to your student opening an account. **Minimum deposits are accepted in the amount of \$0.25**. You can keep the account once you leave Livsey but you must keep the account **active by making deposits or withdrawals at a minimum of once a year**.

Opening Day will be September 26, 2018. If you have any questions regarding this program, please call the Tucker Office at 770-491-8808. We look forward to the opportunity to provide this learning tool for our Livsey students while they experience the joy of saving money.

Best regards,

Your Partner and Friend
Synovus Bank
